“ *Dolores and I shared lots of laughs in high school. We had silly names for each other and she always brightened up classes with her lively spirit. A very special lady, I will remember those times with love and joy. Cheryl Martin Kessler, Class of '61*

“ *When my mother-in-law, who had dementia, first entered Four Winds, Delores was her room mate. She looked after my mother-in-law. She was a sweet lady and when we visited each week, we'd always see Delores and speak with her. She was like family. We extend our deepest sympathy on the loss of a lovely lady. “ *I knew Dolores through Kathy. I met her and Roy years ago. They were both very nice people. I remember she had just gotten a new convection stove and she was so proud of it. She kept trying to make us something to eat. Us three ladies had a great time. She told me not to be a stranger and come back as much as I wanted. Everytime I seen her we would talk awhile and she was so fun to talk with. Dolores will be greatly missed. Her body and soul will be at rest now. God has a new Angel. Until we meet again.*

“ I grew up on Riegel Ridge and we attended church together and I often visited at her parents home. I remember one time, Delores was getting ready for a date with Roy, it may have been her first date with him. I remember she was wearing a pretty blue sweater and skirt. She looked so beautiful and of course it goes without saying we all loved her gentle spirit and beautiful smile. Prayers for her family and God bless you all 🙏

“ Sending love and deepest sympathies to the family. I have so many fond memories visiting Roy and Kay on the farm when I was a kid. My mom, Anita, and Kay were always so close. They would talk for hours on the phone. Mom treasured those calls. So very sorry for your loss.

“ So sorry for your loss. I talked to her many times at nursing home. Sweet lady. Sometimes when I was walking by she would be quietly singing a hymn.
