“ I am sorry for your families lost Shannon. I know what she meant to you and your family. She was a strong woman who didn't hold back what she thought of you. I always respected that about her. Some of my best memories were out at their house, Saturday mornings. Dana cooking up deer tenderloin and eggs. She was right there giving it to us! I love you brother and send condolences from my family and I. She will always be etched in my memory!
