“ Lisa was a wonderful, aunt, life time friend of my. We grow up together. Shared our lives with each other. There is so many memories, of her. She put everyone s needs first, because that was the kind of person she was. When she found out she had cancer she told me if god wants her, she was ready! I wasn't ready for him to take her. I told her she can fight. She tried! But god told her it is time. Now mom and Lisa are together again! I will miss you both forever!
