“ Richard was someone I looked up too , a GOOD man and a GOOD husband !!! First time I meet Richard was in 1994. He helped me put a bridge in. Richard and Alma are some of the hardest working people I have ever meet !! He would help you even if you didn't ask for help , if he saw someone that needed help he would step in without asking.

He always looked out for me and my property.

I loved listening to his stories and camping adventures from around the country.

His friendship and knowledge will be missed.

My heart goes out to Alma ,family and friends.

God Bless
