This is so hard. First Praying for Comfort for All the Family. I Love you All. Rory, Andre & my husband use to fish together all the time. Rory actually saved my husband from drowning. Rory was so broken up when my husband passed away 5 years ago & if it were the other way around it would have been the same. I Love Rory so much which just shows you don't have to have the same bloodline. Again I love you all. Rest well Rory you have earned it. Rest in Eternal Peace. Aunt Di

You will be missed you were a wonderful son-in-law. A beautiful and wonderful husband to my daughter. You hung in there until the last bell rang. Stubborn not willing to give up. She will miss you dearly. And I will always remember how good a husband you were to her. And I will miss your sweet smile. Enjoy heaven until we meet again. Love Sue ford
