

Story Mason Cool

August 23, 1929 - January 24, 2019

Story Mason Cool, age 89, of Jackson passed from this world on January 24, 2019. Story was the third child born to parents Fred Harrison Cool and Gertrude Ellen (Story) Cool who preceded him in death, and was born at home on the farm in Pike County where he grew up. Story was preceded in death by his older brother William (Isabelle Montgomery) of Waverly, and younger sister Lois (William Harsh).

Also preceding in death was his granddaughter Layla Cool, daughter of son Mark. He is survived by his older sister Donna age 100 (Robert Willson) of Jasper, and youngest brother John (Patty Simonton). From very young, Story and sister Lois shared in the farm work. Helping feed and care for the animals, helping in the fields, gardens and cutting firewood for the stoves at their home. He attended the New Idaho, Ohio grade school and graduated from Waverly High School in 1947.

In 1945 Story worked as a 'Bell-Boy' at the Emmitt House Hotel in Waverly. He worked for Lake White Club as a waiter in 1946-47. In the winter of 1947-48 Story apprenticed as an American Morse Telegrapher at the N&W DT&I RR interlocking tower at Waverly. From there he began his railroad career at the DT&I Railroad as a telegrapher in Jackson in 1948. During the years following, he was promoted to Agent at Ironton, then Agent at Jackson, and finally as Assistant Train-Master at Springfield in 1986-1987. He retired from the DT&I/Grant trunk with 40 years of service. During his early years on the railroad, America was heavily involved in defending South Korea from the North. Story was drafted May 1951 into the US Army, Augusta, GA. After basic training he completed the Army High-speed International Morse Code training. He served as a radio team-chief in Korea for the year of 1952. He separated from the army with an honorable discharge at Camp Atterbury, Indiana in 1953 and returned to the DT&I RR at Waverly, Ironton, Jackson, and Springfield. After retirement, Story supervised the City of Jackson Building Code and HUD Rehab Grant office for 17 years, retiring a second time in 2004 to care for his wife, Trevena (TV).

Preceding him in death was his beloved wife, Trevena Gale Stiles, due to Alzheimers

disease. He always called her his life-time girlfriend and 'TV', a name a railroad friend had called her as a joke, but she liked. Story met TV when she came into the DT&I Depot one April day to pick up her father's paycheck. They started dating a few years later and were married in June 1954 after he returned from Korea. Story and TV were married 60 years and 20 days until Alzheimers took her life in 2014. Story never quite recovered from this loss and remained devoted to her for the rest of his life.

Surviving are three sons: David Ray (Martha) of Fairborn, Ohio, Mark Allen of Jackson, Ohio, and Matthew Story (Ellen) of Tonawanda, New York. Also surviving are granddaughter India of Fairborn, Ohio, grandson Andrew (Lindsay) of Ft. Meade Maryland, and grandsons Max and Mason of Tonawanda, New York. Also surviving are his older sister, Donna (Robert) Willson, age 100 of Jasper, Ohio, and his youngest brother John (Patty Simonton) of Waverly, as well as hundreds of family and friends in Waverly and Jackson.

Story and Trevena were active members of Calvary U.M. Church in Jackson. Someone there will need to make sure the HVAC is set for all future services. Story loved working on houses, especially with his sons. He loved country music, vacations with his family (especially to the beach in one big house), going out to eat, and any celebration.

Funeral services will be at Mayhew-Brown Funeral Home, 135 Broadway Street, Jackson, Ohio on Tuesday, January 29th at 11:00 a.m., with Pastor Garry Hogue officiating. Burial will follow at Fairmount Cemetery in Jackson with military services by Jackson Chapter 45 of the Disabled American Veterans. The family will receive friends at the funeral home on Monday, January 28th from 4:00 to 8:00 p.m.

“ Dear Uncle Story,

May you rest in peace. In many ways, by your qualities and your behavior, you were a model for most of the people who knew you. You had high expectations of everyone and even more of yourself. You achieved so much in your life for us all to be proud of. We won't forget you.

“ My name is Don Beeler, I was a union rep for BRAC/TCU which Story belonged to for many years. He was a real old time railroader being a telegrapher and Agent of which I know he was proud and a GREAT one. Sale of the south end of the railroad and closings forced him and others to relocate. That was tough on him and many others. He was always a great representative for the DT&I and I thought he was a really fine individual.

“ Hi Don, thanks so much for your kind thoughts about dad. He was one of the true railroaders and loved it. That sale ended all our careers, but he recovered and moved on. He always thought a lot about everyone he worked with. We remember him mentioning you many times, though I can't remember meeting you in my 10 years there. Thank you again. I appreciate your thoughts. David, Story's oldest son.

“ We remember Story as a very devoted father, husband, and church attendee. He never really grew up because he loved cars with big motors and still played with tractors. Sherie and I first met Story at a time in his life when he was caring for TV and doing his utmost to make her life as full and comfortable as possible during her last few years. I have never met anyone, who, in spite of his own limitations, attended to his wife’s needs as completely as he did. They possessed a life long love that few people are blessed to have experienced. I know that he is smiling from ear to ear now beside TV and Jesus, and we look forward to seeing them again sometime soon. God speed brother. We love you. Tim and Sherie Litteral

“ I worked with Story from 1987 until 2006. He became a very dear friend to my husband and me and I have too many stories to tell about our time together that won't fit in this memory box. He had me in stitches more often than not, and for deadpan Story, that's saying something. Mike and I will miss him more than he could have imagined. Love you, Story, and we'll see you again someday.

Deanna Stroth - January 25, 2019 at 12:53 PM

“ Thank you Deanna. Dad thought a lot of you and Mike and we were always hearing stories too. He loved you guys and will be waiting and preparing the party for all of us. David
