“ *Where do I start? There’s so many memories. I can still see us laying on the couch falling asleep. I love you from the first time I seen you. Being neighbors was awesome. You kiddos would storm my apartment just to pass Isaiah around. To say goodbye is the worst Ash. I love you with all my heart. You were and are precious to me. When my last day comes I pray your the angel that comes take my hand and lead me into the golden gates of Heaven. Even death doesn’t stop me loving you. I simple love you more.*
