“ Benjamin -

From the time you were born to the time you left this world; I loved you with my whole heart. When your sisters have children, you love them like your own. While I'm so very glad that you're not in pain and misery anymore, I will miss you being here with us. I'll miss your smile, your laughter and your mischievousness! Deal those cards in heaven and have a wonderful time.

“ Ben was a great guy with a big heart. He was always in a good mood and spoke highly of family daily, especially his daughter. He will be sadly missed as a coworker and friend.
