“ You will forever be in my heart. My girls and I are going to miss you so very much. I think God for making you a part of our lives. You were the best adopted grandma to us there ever was. I miss going to yard sales (you and sami buying all the teddy bears), our trips to Chillicothe, sitting outside and gossiping about all the neighbors, and our tv time together!!! I miss all the nights we spent watching shows and you'd be like I don't understand this. hahaha then we'd laugh so hard. You loved your Days of Our lives. I haven't watched it without you! When you were sick and the girls and I would take turns sleeping on your couch and taking care of you. We loved to help. I miss you hitting on Doctor Ball each time we saw him, you sure thought he was the cutest!!! hahaha. I miss Bridget and I working on puzzles with you. and when Sami was younger I knew if she disappeared she was at your house!!! Oh my and the first time we went to the store together, I couldn't find the "soda", you took me to baking soda and I meant pop. We laughed forever over that one. You were never afraid to speak your mind and tell it how it was!!! I miss your hugs and your laugh!!! Pippa loved you so much too, she loved going and seeing you. Oh and all the secrets you told me that you would never tell your kids, I will forever cherish them and laugh at how crazy you were. lol. Your many ups and downs in life made you into one of the most fantastic women I have ever met. I will forever miss you and thankful for having you in my life all these years. I would have been lost without you!!! I love you Grandma Betty!!!

“ To my oldest and greatest friend, Linda you had the best mother ever. She was always calm and relaxed always had a kind word. I grew up around her from childhood and NEVER do I remember her ever raising her voice at us. Not because she shouldn't have. We were handfuls. She also watched Adrianna when she was little, Adrianna loved her. I'm always here if you need someone. She will be missed.

Love You

Vivian
