“ I am so sorry to hear this. I loved her like a mother. Spent many nights at her house at her house with Anna Ruth. She treated everyone the same. She was such a sweet lady. She never had a bad word for anyone. I know she is Heaven and now is one of God's angels. She will be sadly missed. She was one of the great ladies in Jackson county.

“ Betty was like a second mom to me and my brother and sisters - we loved her dearly - she was always there - my parents AJ and Bernadine felt that she was part oof our household from the time I was 5 years old - she could do anything and was ever so wise ! If there was and emergency “call Betty “ if there was an event “call Betty “ she meant so much to us all - - her family was like our family and still is - Betty will be truly missed - Mother and Betty are probably baking cookies for the new arrivals — so they will be busy ... much love to the family

“ *I want to say to the Family how sorry I am for your loss. I know she will be missed by all of you. You are all such a loving family I remember the 1st time I met her. She was so sweet The more I saw her the more I loved her.I ended up calling her mom and loved when I went to see her ( and the family). She always made sure there was something there to eat and drink. I was hoping to get to my Aunts to go see her. She certainly will be missed by all her family and friends. Again I am so sorry. Hope to get up that way soon. Keep her memories in your Heart. Love to all.*
