

## Billy R. Witt Jr.

February 9, 1958 - April 1, 2019

Billy R. Witt Jr., age 61, passed away peacefully at his home on Monday, April 1, 2019. He was surrounded by his wife and kids.

Billy is survived by his wife of 37 years, Terry Witt, children: Billy (Shannon) Witt, Brandon (Julie) Witt, Jenifer (Christian Dupree) Witt and Jeremy (Kimmie) Witt. Grandkids: Kobe, Bailey, Karter, Kyson, Bentley, Brady, and Kyndal Witt. Mother: Matilda Gloria Witt. Sister: Cyndi Rockwell, and many nieces and nephews.

It was no secret, Bill's kids and grandkids were the highlight of his life. He loved spending time outside. Whether on the ballfields cheering on the kids, or standing on a bank fishing. Bill loved to help anyone and everyone who needed it, and would sacrifice himself to make sure the people he cared about were taken care of first.

“ God has blessed us with a wonderful gift in memories. He gave us the ability to push back the ones that we need to put behind us and bring to the fore front those He wants to encourage us and bless us. I never saw Billy without a smile, or a word of encouragement. Billy always pulled me in to his preaching, such a wonderful flow and passion in his words and messages. This is a testament to the Spirit inside of him. A testament to the Spirit that should be in each and everyone of us.

“ I fidn't know Bikly but know 2 of his grandchildren, Kobe and Karter. They bith have great character and care about others. Sounds like Billy has passed some of his character onto them. He will live on through them -and others - as a result. May God help all of his family heal well.

“ We love our friend Bill Witt!!! A vibrant personality for sure, always one of the first people that new visitors would meet and remember for his friendliness and servanthood! Bill was always ready to help in any capacity...his handy work is throughout our building and will continue to be a remembrance of his love and respect for God's House and God's people! Bill was a shining example of a family man...his family meant everything to him and you wouldn't be around him long before you knew that...the name of his wife Terry and all of their children and grandchildren were spoken so freely and often that you knew without a doubt that his love for them was deeply embedded in his heart. We've heard many testimonies of people that in the winter, they would look out their windows or doors and see Bill shoveling out their drive ways and/or walks, such a reminder that we all need to take care of one another. We are thankful that Bill lives on in Heaven today...he has changed addresses...earthly for heavenly...but more alive than ever! We love Bill and he will continue to put a smile on our face whenever we think about him, which will be often! We consider it an honor that Bill was with this congregation for so many wonderful years!

“ *IN LOVING MEMORY OF MY BEAUTIFUL SON*  
*I have always been fascinated by the beauty of the sky both day and night. Many years ago, while looking at a full moon and not wanting Cyndi and Bill to miss it, I called them saying “Have you seen that moon? It’s so big and bright and beautiful and God gave it to us freely. You have to go out and look at it “*  
*Over all these many years Bill continued to call when there was a full moon to make sure I didn’t miss it*  
*MY PRAYER IS IF YOU HAPPEN TO SEE A FULL MOON, STOP AND TAKE A MOMENT TO SAY HI TO BILL. I know that he is looking at us and smiling*

“ I first met Bill in February of 1958. He was a squirmy little guy that smiled at everything. He was rough and tough from the beginning and he held my heart. Throughout the years of growing up together he was my protector and my strength. His outgoing personality was much bigger than his stature. He took care of mom and me in so many ways. Forever in our hearts, Bill. We love you and miss you
