“ *Brenda Kay: You were just like another Aunt to me! It's hard to believe that in just two more days it was only a year ago that we had a cookout at Mamaw's a house down from you for the 4th of July to watch the fireworks together as a family and eat some good grilled food! I was looking forward to that again this year as it will now be a family tradition! I'm sorry that I couldn't make it to say my last goodbye. I don't have a car right now and Mom had to stay home with Dad because of his cancer! I know that you knew we all loved you and now you're up there in a better place than all of us and with your Mom & Dad! Tell Uncle Don, Aunt Nellie, Grandma Canter, and my handsome Papaw that I love and miss them so much! I will see you all on the other side! Fly graciously as the beautiful angel you are with all the amazing butterflies in heaven! I love you & miss you my dear sweet cousin! We as an ENTIRE FAMILY love and miss you so much already! Fly high beautiful! ❤️ ❤️ ❤️ ❤️ ❤️ ❤️ ❤️ ❤️ ❤️*

“ *What can I say about my niece .I loved her from the moment I laid eyes on her.She made me laugh she made me cry. We loved one another so much. I felt like she was my own child. I remember shortly before she past she call me and said do you still love me and my reply was nothing on heaven or earth could make me stop loving her. I know that she loved me and some day I will see her again. until then my heart will never be the same. I will miss her smiles her laughter and most of all her saying I love you Aunt Nancy/Rest in peace my little butterfly. I know heaven is rejoicing since you are ther*
