“ *I'm so sorry to hear of Gene's passing. He was a close friend while he was Chief in Georgetown. When he left, I lost contact with him. He was a wonderful and very witty person and he always loved a good cup of coffee and conversation. I will certainly miss him. My prayers are with his family.*

“ *Very sad to hear of Gene's passing. As the first member of Georgetown County FD - I joined before Gene even had an office, much less trucks or stations. We spent ALOT of time together. Thought of him often. My best to the family.*
