“ Cherokee and Michael, I am truly sorry for Carla's passing. It came way too soon for all of us. Your Momma was the best supporter I could ask for; she encouraged me as a single mom and always said, "put those babies first and it will all be okay." and she was and is right. The memories that my kids and I have of Her will always be special and I know words aren't enough to help; so I send my love to you both every night because I know your Momma would do the same for my youngins.
