“ I love you aunt Carolyn! I am so thankful to have had you in my life and I am forever grateful for everything that you taught me and my kids and for always being there for us no matter what even when I was a brat! Even at your sickest you still fought your hardest to keep pushing foward but now you're walking free and watching down on all of us. You were a great role model and I am going to be lost without but you'll still be the one person I talk to and know my secrets will always be safe. Always loved and will be forever missed!! I am so glad that you knew I was always there for you whenever you would holler for me all they needed to do was call. I'll still be to see you often. Love always Lyns and kids. Prayers for the rest of the family to find the strength to get through today and every day after.

“ I had the pleasure of meeting Carolyn & Connie, her sister, when I myself was a resident at Edgewood Manor. As I just discovered, I am so sorry to hear of her passing, but grateful & fortunate to have met such a wonderful, loving, giving & understanding woman. I will remember her fondly, she always made me smile. Rest in peace Carolyn!
