“ *Motto was an awesome person, taught all of us kids the game of baseball at a young age. He could stand on the pitchers mound and throw a strike every time "behind his back". I'll never forget you, thanks for everything you taught me. R.I.P Coach..*

“ *I am so so sorry for your families loss, I feel like a part of my childhood has died too. I couldn't wait to hear my name called over the loud speaker by moto, made me feel like I was in the majors during night games, I remember my dad helping him late at night on the fields on nights it rained and there were tournaments the next day, kids will never know the love of the game they way he made us feel it. MOTO DIXON WAS BASEBALL when I was growing up. Love you guys, he will always be remembered by this little kid*
