“ *Thinking of you today Cassie. Your brother Jason is like family to us. When your parents passed away, Greg and I came to help out. We met a few times. Your brother loves you and so do many others. It breaks my heart that you are gone. Fly high, and God bless your family. Much love, the Norris Family*

“ I grew up with Cassie and spent alot of time at her house. She was my best friend in school. Cassie was one of the sweetest kindest souls I have ever known. There isn't a time I could ever remember Cassie saying a mean thing about anyone. She had a heart of gold. I am truly heart broken of the news of her passing. My thoughts and prayers go out to her children. One thing they should know about their mother is she really was a pour soul and she loved with everything in her. She will be watching down on you now so make her proud.
