“ Keith was such a nice guy. I have known him for many years. He worked at Brisker's when I used to get gas there. I moved away from the area but I would sometimes comment on his pictures of the grandkids and of his band pictures. May he rest in peace. Sending thoughts and prayers to his family.

“ Keith loved the band years. We always shared memories of those years when our paths crossed. During the early Jaycee years we had a great time helping at the festival. We always looked forward to seeing him managing the office behind the Grand Stand. He was a good friend. He will be greatly missed.

“ *Keith was one of my first friends when I moved to Jackson. We both enjoyed just hangin out with friends. He made me feel welcome when I came to town and I will always remember and thank him for that.*
