“ So sorry to hear of Charle's passing. It has been about 50 years since we became friends. I have absolutey no musical talent. I did always enjoy hear Charles perform. I went to several of his out of town "gigs"(is that word still used?) On occasion I would even ride with Charles Even though I seldom saw Charles in recent years I still considered him a good friend. Many fond memories of him. Prayers for the family.

“ I was sad to hear of my friend's death. I jokingly always called him "Chuck." What a great guitar player and performer. We shared a stage for many years. He will always be remembered by me with happy thoughts. Chuck is now playing "The Great Gig in the Sky." Rest well Chuck...

Kelly, I am sorry to hear this and for your loss. Your dad and I were friends my years back. He's the kind of friend you may not see for a while but he was a friend who would always be there.

So sorry to no longer talk to Charles. He was just a boy living in his mom's basement and we never talked much until recently; I'll miss his sense of humor while he went through a rough time. He was a good person. My condolences to all of his family. I know he will be missed by all. r.i.p.Charles. So sorry I didn't get to hear you play. So now you can play a tune on a golden guitar. Goodbye, my friend.
