“ Even though we thankful you are no longer suffering, we miss you dearly, Pops. I am so blessed to have known you and even more blessed to have married the son you raised. Thank you for raising a hard working, honest, and most of all a family man. Our kids are so lucky to have had a Papa like you. Love and miss you always, Jennifer

“ I am so sorry for your loss. I know how dear Pop was to the Padgett kids. Every Father's Day when we did our SS craft the kids always asked to make one for their Grandfather. He was part of so many conversations! I know he will be missed. What love he shared with his family!
