“ I have a lot of fun memories with Cherrylyn at her home when we were young and growing up. While our moms would visit, we would play board games or look at books and a few times we made cookies or candy . And her Dad had the most beautiful flowers in the back yard and back field. Her Dad was one of my moms older brothers. She was a “Town” cousin and I grew up in the country. Thoughts and Prayers are with your family.❤️
