“ We let him stay with us a while back he had hit hard times and needed a place to stay for a while. He was torn up over not being able to see his youngest son, so I got up one morning and made all of us a big stack of pancakes. His eyes lit up! lol He asked for a jar of peanut butter, which lost me but I got it, and he coated his pancakes in pb! I had never had that so I tried it and it was AMAZING. Now every time I have pancakes I put pb on them and think of him. He was so funny and kind when he wasn't sad. Were going to miss him.
