I met Miss Cindy when I got my own place in Jackson View. She knew the guy 3 doors down. It was instantly i knew i lised her! She lived in the curve on Cherokee lane. I watched her daughter Alicia become a beautiful young woman and Mr Cody was the child i never had, one of hardest things i did was leave. I moved to Jackson to ve with my elderly father and it was time to be near my mom back home here in NC. Cindycame to visit me twice! I miss her so much! Now...well i think we all know.

My deepest sympathies to Alicia and Cody And Chris! Id love to get together and have a celebration of life in her honor...much love
