“ Oh nooo Mary and Jim I just saw this I had no clue. And you are correct that little guy did touch my life. Even after all these years later I still remember and cherish my time with you and your family. Your mom was superwoman and beyond amazing the way she made sure you were taken care of. I can only imagine the void in your lives but you are so lucky to have had him as long as you did. Much love to all.

And I thank you Cole for enriching our lives.
