I am terrible sorry but I will not be able to make it to David's celebration of life.i didn't realize it was the same time as a family thing (on my mom's side) that has been planned for months that cannot be changed as there are people coming from several other states, but I wanted to extend my deepest sympathy to all of you, as I am sure my siblings would as well. My love goes out to all of you!

“ around 1977 David came to stay with us in Xenia. He had this latex Halloween mask (they were fairly new at that time and it was very realistic- well as realistic as a werewolf mask could be.) He & my brother Dougie told this teenager that was hanging around that he had to make sure he left before midnight cause there was full moon that night. The kid laughed, at midnight David distracted the kid while Dougie took his partial plate out leaving only his eye teeth in the front , Then Dougie distracts him from David while David threw on his mask... They scared the crap out of the kid. It was so funny!
