“ Mike... I don't know if you remember me... but I want you to know that you are in my prayers and in my heart. I know how hard this has to be for you. Lean on your family and friends and let God wrap his arms around you and help you through this difficult time. Treasure all of the special and loving memories of your beautiful wife. May the love of friends and family carry you through your grief. Life's most beautiful times are not seen with the eyes... but felt with the heart.... you will always carry the beautiful times of Deborah in your heart.
