“ Diana trained me when I began working at Adena Home care. I worked with her for 15 yrs before she retired. She was the sweetest most patient person I knew. She also had a great sense of humor. We had many laughs together. I'm going to miss her 😞 Prayers to Tim and her family

So sorry for your loss. To the Baisden Family. She was the keeper of the sick ones . She was not just a great person she took care of my Brother who passed with cancer. He loved her as a friend of the family. God Send Your Blessings To All

I can't believe she is gone. She was the most caring caretaker I have ever met. I had Cancer in 2008 she was so caring she would worry about you so much she would even hate to leave you. I saw many times I needed something and she would come back after work on her own time and bring it I moved away and came back a year ago and tried to find her on face book . I often thought of her kindness and wanted to see her and thank her again. She was a Wonderful Person May God Bless her Family
