Dianna Kaye Terry passed from this life and entered heavens gates at 11:54 am on November 5, 2022 following a brief illness. She was born March 22, 1950 to Robert and Charity Horsley. On June 3, 1976 she married the love of her life, Douglas Terry. They began to build their family and Dianna served the Lord by singing in church and blessing many, even writing her own songs. She took pride in her years of service working at ITT Grinnel, The American Red Cross and Forward Air.

Dianna is survived by her children, who she loved unselfishly, Dreama and Gerald Terry and three grandchildren, who were her pride and joy, Kayelyn Terry, Britton and Kirstanee Rooney, all of Chillicothe. A brother, Mike (Lois) Horsley, of Chillicothe, sister, Dennise (Jeff) McAfee, of Kingston and several nieces and nephews. She is also survived by very special friends Rebecca & Joe Cyrus as well as many special friends from over the years. She was preceded in death by an infant son, Douglas Robert Terry, her parents and her husband. Following Diannas wishes there will be no calling hours or funeral service.

“ I can't even begin to say how much Dianna touched my life. We shared so many good times together including being crazy teenagers going to the Torch where Dianna worked for years, to our wonderful times at the Jamboree with all of the "kids" we ran around with then, to being new Christians together-thank you, Dianna for introducing me to the Lord, to being new brides and young marrieds and raising our kids together and finally to carrying our friendship into our later years. We were closer than most sisters because we never fought and we were always there whenever one of us needed the other. It will be hard to go on without you, but I know you will be waiting just inside heaven's gate and oh what a great time we will have there! Love you Dianna and I promise I will be there for Dougie and Dreama. Rest In Peace my precious friend.

“ My deepest condolences to the Family. I used to work with Di many years ago at ITT Grinnell. We saw each other off and on thru the years, but not nearly enough. She babysat my kids once and that was the last time she saw her contacts! RIP my Dear Friend. I love you. ❤️ 🤔
