“ Keith, You have my deepest sympathy in the loss of Don. Don was my Rinky Dink football coach when I played for the Packers 70-71. I always thought of Don as "Coach" no matter who had the title on any team I played on. He could have gone home after work but instead gave of his time to coach us. Rest well "Coach" you will always be remembered by those who played for you.

“ Keith, I'm sorry for the loss of your father. I have had lots of conversations with him over the years. He helped me to understand D.C. charging systems and a few tricks. He was intelligent and a gentleman. I'm glad that I knew him.

“ I feel your sorrow in this loss, I knew Don and Anna Mary both. They were wonderful people and will be missed. My father was buddies with your father for years and came to the shop often. They were always there to lift a hand when you needed help. My deepest condolences.
