“ Sandra, Karen, Hazel and Steven,
Having moved so many times through my late husband's work
I lost contact with you all...and I'm sorry. I remember Donna always
being the pretty one of the three older girls...always so neat and
sweet versus Lynn and myself! I did run into her in one of the
Carolinas when she was showing dogs...can't remember where or
how long ago...wish I had kept in touch. I put my email address on
this message...please touch base and perhaps we will get together
one day soon. You are always welcome to come to Florida...I don't
travel much anymore...my health won't allow it but I can have
visitors especially my relatives. My thoughts and prayers are with
you all during this time. Love, Sharon
