“ *Andi, Sarah, David and Sam I am so sorry for your loss. You had a great mother who loved you all greatly. Out of all my childhood friends' parents I think Donna was always the most welcoming. She must have loved kids bc she was always surrounded by so many. Every time I ran into her as an adult she would update me about you kids and your kids. She was one proud mama. Thinking of you all and sending you all my love.*

“ *This lovely lady and I crossed paths last Sunday in Big Lots. We were walking in the store isle laughing. When we got to the check out I has this adorable stuffed lamb. Donna was in line behind me and mentioned how cut it was. I proceeded to tell her about a fund raiser our group was holding to help spay and neuter cats. She tapped me on the shoulder and handed me 20.00 to donate to the event. I fell in love with her because we hit it right off in the store. I knew who she was because I asked her name and wrote it on my hand. I know one thing, the good Lord took from this earth already an angel. I treasure the small amount of time I got to spend with her. I will be forever greatfull.*
