“ *Georgia, I'm so sorry in the loss of your father. I remember your mother so well. I worked with her in the ER. She loved you and baby Colleen so much, and was so proud of you. I have thought about you so much through the years. She used to tell many stories about Dwight and his horses. She was looking forward to retiring and moving to Jackson. Carolyn and I held a special working bond. She was so kind and funny and a good worker. May God bless you during this time with strength and peace. No matter the age, its always hard. Sincerely, Marge Davis*
