“ *Emma was born 1year before I graduated from high school. By then I had been living in Columbus for 8 years so I never really knew Emma until we became friends about 3 years ago on Facebook. She immediately became special to me, she carried my momma's name. From our social media connections I could tell she'd had a challenging life but she was a talented (crocheting), loving, God fearing person. May she rest in peace with God's angels. And prayerfully Emma & Emma have reunited.*
