

Eston Lee Orender

September 24, 1992 - November 24, 2024

Eston Lee Orender was known by many and loved by every single person he came into contact with. His jokes and cheerful comments could light up a room full of strangers, and by the time he was leaving that room, everyone was shouting “bye Eston” as if they had known him for years. He had a special energy about him that drew people in.

Eston was a cook at Arch & Eddie's for several years. When he wasn't working or at a concert, he enjoyed gaming, kayaking, and he was always up for an adventure. He had an impeccable memory and knew the most random facts. He loved spreading his silly dad jokes and would occasionally (okay, maybe more than occasionally), let out some raunchy, lewd jokes that no one around him was expecting.

If he knew you were struggling he could find some way to relate to you and ensure that you didn't feel alone. He made the outcasts feel popular. Everyone was comfortable telling him anything, knowing they would not be judged. His love for music expanded from metal, rock and roll, hip hop, even Taylor Swift, all the way to EDM. He introduced so many to the concert and festival scene, and showed them how much fun life can be when you live against the "norm" with few inhibitions.

He is survived by his beloved dog and best friend, Cash; mother, Karen

Orender; sisters Kelli (John) Beatty, Alysia (James) Shelley, and Vynessa (Thomas) May; nieces and nephews John III, Joshua, Jace, Trace, Alyvia, Piper, Bryce, Bryn, and Bryleigh; his aunt Donna Jean Lyons; cousin Jables Logan; special friend Bryan Imes; as well as many bros and hoes.

He was preceded in death by his father: Charles Orender and his brother: Andy Orender.

Funeral services will be held at 6pm on Sunday, December 1, 2024 at the Mayhew-Brown Funeral Home. The family will receive friends 6 hours prior to the service from 12-6pm. In lieu of flowers, memorial donations can be made to the Mayhew-Brown funeral home to help with his funeral expenses.

Condolences may be sent to the family at www.mayhew-brownfuneralhome.com.

“ *Eston would always greet everyone with a hug and smile when we were in middle school we would walk with our friend Jhonny to get Michael's ice cream and talk after school seeing him on the weekends id go out with my friends I was always sure to get a hug and smile from him. His presence would always light the rooms up that he walked in. He cared more about others then his self and was the kindest soul. My thoughts and love to everyone who knew him for this is truly a huge loss for us all .*
