“ I remember Eulis and Wally Hale singing together, it was like listening to Hoyt Axton and George Jones singing gospel music. I bet there's some good music in Heaven as they met up. RIP

“ I sang with Eulis many times. Him and his brother Jeff were known as Friends of Jesus. Many good times with their family. He would always brag on Scooby. He was such a good person. I thank God to know his family. As a child I would go to his dad's house. My parents had 20 kids so everytime I went there I drank milk from their cows.He was a Friend of Jesus. So am I.

“ I remember living next door, you welcomed me as if I was your own at 13 years old....for a few years It keep me sane from the step dad I had to deal with as living with alcoholics... I never knew what it was like to have love in my life from a real family until I walked into this loving home to have both of you parents to include me to eat with you & enjoy loving home life. My heart hurts for your family cause I know the love you gave to us all. I love you dear friend-- thats more like a father I never had..May you rest in peace until the day God raises us from the grave for the perfect body we all shall have together....to meet again shall be a Joy..I love you dear friend Eulis...you were always so kind to me, thank you for showing me love when I didnt get it from my family, I always felt welcome.. I was there almost every day, you never made me go home...I cant thank you enough for caring about me...Julie Ludwig
