“ I'll never forget her sense of humor. Always kidding around and laughing. She enjoyed life, and loved every minute of it. Lauren and I were thankful for the time we had with her recently. Mom was able to have a video call and share that they loved each other. Even while suffering, she was herself, spreading her love and laughter. Her and sissy are rejoicing again, pain free. Praying for you all during this heartbreaking time. Take comfort that she's no longer suffering.... .
