“ My son, Hunter, spent time in speech therapy with Garrett. He wanted to send his condolences and says, "I'm sorry for the loss of Garrett. I liked spending time with him in speech. He was friendly and made me laugh.”

“ As you know, Garrett was one of my students and we are all heartbroken over this loss. He was a hard worker and aimed to please. Even when he was not feeling very energetic, he didn't complain. He had a fun sense of humor and would get the biggest grin when jokes were shared. He will be missed so much by everyone at school. Blessings, peace, and comfort to everyone in your family.
