“ Love you Uncle Gary and you will be truly missed miss the crazy Texts from you and phone calls. I was reading all my text messages the other day and you were always there when I need someone to talk. anytime you would call or text it would always put a smile on my face because you just made me laugh no matter what even the bad days!! Just can't believe you're gone but fly high with my sister and Mamaw rest easy no more pain 💔😞💜💙!!! We was just talking the other day how u was going to come down this summer and I truly was looking forward to that.. but we love u and will for ever care ur name on to our loved ones ❤️

“ I remember the first day I met Gary then the more I got to know him I became very close to him in the last year, tucker and I found out we was pregnant with twins and he's dad was so happy then we lost them it broke his heart. I will forever be grateful I met Gary and got to spend time with him he was as close to a parent to me after lost both my mom and dad to cancer I'll miss him calling me up at work when he's bored and wants someone to talk to and everything I promise to take to care of his son no matter what love you dad!

Death hurts those that are left behind young man. But it also brings freedom to the person themselves that could be suffering from any multiple types of illnesses. Your father loved you my man. He always talked about you when we spoke. He wanted us to meet badly. I will honor his wishes someday very soon by having the pleasure and honor of meeting and hanging out with you sometime very soon.
