“ Mrs. Hendricks and Liz ... Please accept my condolences. I remember being down at the old airport and helping him (not sure how much help we were?) with the tobacco. I'm sure you will miss him. Take care.

“ Mrs. Hendricks,
Sorry to hear about your loss. I visited with George last year when I was at Four Winds visiting residents with my students during a service project. He heard me say I was from Beaver and called me over to find out who I was. Take care
