“ *My little brother....memories will never fade regarding you. You were a wonderful influence for my daughter. I enjoyed watching movies that we found time to joke about, holidays that were made more fun just by your unique way of celebrating, and just sitting on the swing in the backyard and discussing the day's events or our dreams. I know tomorrow is a final journey for us but you are already with Dad setting up a horseshoe tournament.*

“ *Another year and though the pain has lessened, I still miss you terribly. The Solar Eclipse was on this date and you would have enjoyed watching it, too. Till next year. Your Loving Sister, Cyl*
