“ Condolences to Grace's family..I went to church with Grace for a good many years. She always made me feel good, because she loved my singing. In the last few years of her life I made a point to always hug her when she was at church. I will miss my hugs and her smile. May God give you strength and peace to know she's in the arms of Jesus, no more suffering, that's what I take comfort in. May God keep you all in his protecting care.
