

## Grayson Lee Dismuke

August 26, 2024 - August 26, 2024

With profound sadness, we announce the passing of our beloved newborn, Grayson Lee Dismuke, who graced us with his presence on August 26th at 9:52 p.m. and departed this world far too soon, on the same day at 11:09 p.m. In his brief moments with us, Grayson's presence filled our hearts with immense love and joy, leaving a lasting impact that will remain with us forever.

Grayson is survived by his devoted parents, Lillian Dismuke and Johnathan Monk, who cherished every precious second with their beautiful baby boy. Though Grayson's life was brief, he brought a light into this world that touched everyone around him. His grandmother, Kristi Woodruff, and great-grandmother, Sharon Moore, and great-grandfather Ronald woodruff also hold Grayson close in their hearts, mourning the loss of their little angel while celebrating the brief time they were blessed with his presence.

Though our time with Grayson was short, the love he inspired will last a lifetime. His tiny hands, his peaceful face, and his spirit have touched us all in ways that words cannot fully express. He has left a void that can never be filled, but also a memory that will never fade.

Grayson's family invites friends and loved ones to join in a private ceremony to celebrate his brief but beautiful life. Together, we will honor the love and light he brought to all of us, even in his short time here.

Rest gently, sweet Grayson Lee. You are forever loved and will always be remembered by those who hold you dear.
