“ So sorry, Stevie.....Mary Ann

Stevie, Tic was one of my first friends when I moved to Jackson the year of fourth grade. He was always so nice to me, even letting me join him and Keith H on walks to school. That meant so much to me as the new kid with no friends!

My heart hurts for yet another loss for you. God bless and comfort you.

I moved to Jackson in 1983, joined the Elks Lodge and became close friends with Tic, Matt and Chris. Almost everyday after work I was with one or all of the Waulk boys. So many memories throughout the years. All of us already miss Tic and Chris. Matt and I were very close until he got transferred out of state with his job. We are friends for life but life takes us all on different paths.

I missed the viewing due to a foot injury but my thoughts and prayers are with the family and all our friends that loved Tic. All we can do is cherish the memories and be thankful for the great times we had during those years. God Bless You Tic for being my good friend !!

“ So sorry to hear of Gwyn's passing, we grew up together at a distance but saw less and less of each others family's as the years past by. Time has past us all by, but, rest in peace cousin.
