“ *May your memories of Harold bring you comfort. Our thoughts and prayers are with you and your family in this time. He was a very nice man. I will miss him checking up on me to see if I needed anything while I was working on remodeling his kitchen or siding his house. Peeking through the windows on the side of the house when I was siding and when I would see him he would close them back, lol. He was a very nice guy. Enjoyed talking with him.*
