“ I dont have alot of family but this woman treated me and my daughters as such. My toddlers called her mamaw and were pumped for the rolls of stickers and unlimited snacks she always had ready to give. You dont find alot of people like her. Someone who makes you feel at home upon first meeting. My kids loved seeing her and hanging out just as much as she loved seeing them. We will and are missing you dearly. Im devastated you didnt get to meet my son. I can only hope God allows you to look down on us from time to time, until we meet again 🙏
