“ *My condolence to Deanna and Paul as well as other family members. Jane was always in service to others in the community. I loved her witty humor. Each time I would come to Jackson to visit family or to our high school reunions, Jane and husband Paul were always so welcoming. Just as though no time had passed by. Friends just pick up where they left off.*

*She has now been lifted to her heavenly reward. Fly high, Jane.

“ I have no words. Jane was Mom's little sister that mostly felt more like a sister than an aunt. One of my favorite memories was when Jane and Deanna and I met at Michael's se real years back for a Bubble sundae. I was hoping to do it again when Gary and I returned home (Chillicothe) for a visit and to introduce him to my family. But now it's too late for him to meet Aunt Jane. I'm sure they'd have liked each other. Deanna, I'm so very sorry for your loss!

“ When Jane's husband passed away, I reached out to her to go to lunch, join us in paint class and hit the yard sales etc. I knew her pain, because I had lost my husband too. and 6 months later, I lost my Mom. We ran around town in the blue Van, my Mom left to me. We enjoyed ourselves many times. We spent time together at luncheons etc. Gradually she moved on her own . We remained friends but did our own thing. She was my neighbor and I will miss her. My sympathies to the family.

“ *I have such great memories of a special lady who when I think of her I always see her in motion! She was a great supporter of her family and young people in general! She will be missed!*

“ *I went to high school with Jane. As happens so often, I left Jackson after high school and lost touch with her. As I recall, she was never afraid to speak her mind (a great attribute).*

I am truly sorry for your loss.
