“ Janet was a wonderful lady. My daughter rode her bus in kindergarten and first grade and loved her. I was glad Janet was her driver, I trusted her. She was a kind and caring woman.

“ I had the pleasure of knowing Janet and Jim through my work with the ODNR Division of Forestry. They planted literally millions of tree seedlings for reforestation projects that I was involved with. Janet and Jim were always dependable, hard working people. Their work lives on in the woodlands of the hill country of southern Ohio. Gary Vollrath, Jackson.
