“ Losing my cousin Janet, is like losing a sister. Janet was the most giving person I have ever met, all the way up until her last breath she was worried about my brother Scot and what he is going through medically. Her death will affect each and every one of us EVERYDAY until we meet her again at heaven's gate. I LOVE YOU SISSY and life will never be the same without you.

“ Janet was a wonderful help for Sara and myself. During my last year as an art teacher at Jackson High School I relied on Janet to come during the day to take care of Sara, I would have had to retire that year without Janet's help She not only cared for Sara but also helped with anything we needed around the house. She was more than a caregiver to Sara and me , she was our friend . She loved her husband and sons and we often talked about them Of course for those of us who knew Janet , we. Listened more than we got a chance to talk, but it was easy to listen to her because of her laughter! Sara and I will miss Janet . She was a kind, loving, understanding and all around great person ! God bless you Janet your family will be in our prayers !
