“ It's really hard to leave. Believe that your gone. We didn't always see eye to eye and lord knows we had our ups and downs but what sisters don't. You were so kind hearted and was there when I needed you the most. You will forever be loved and missed and you touched the hearts of many. I wish I could have been there more and told you how much you were loved and appreciated but we both knew it and that's what matters the most not the words said but the actions we showed when we needed each other most. Give my Joseph a hug for me and tell him his mom loves him and misses him so much. He always enjoyed your nightly talks with him about the Bible and things and now up there in heaven with him and I know he is talking non stop. Lol. I miss you and love you.
