“ Jeff was a great cousin although we hardly ever spoke. I was blessed with a link up with him on FB. Judy and I corresponded and was able to call him about a month ago we talked just about everything it was like we never lost a beat. His great love for his family, friends and dogs and not necessarily in the order. The man went thru alot of trials and tribulations but remained true to his beliefs and love for his family. I will truly miss him and will keep him in my prayers. Kathy Debbie John Mark Kevin love you all

“ Just wanted to give my condolences to Jeff's family and friends. I did not know Jeff before his stays here at Heartland but became friends during that time. He always talked highly of his family and his love for his grandchildren and pets was something he was proud of. He touched many lives and made many friends during his time with us.
